

## **Avidian Gold Updates on a C\$1.5M Non-Brokered Private Placement**

**NOT FOR DISTRIBUTION TO UNITED STATES WIRE SERVICES OR DISSEMINATION IN THE UNITED STATES**

TORONTO, Ontario, July 25, 2019 – Avidian Gold Corp. (“**Avidian**” or the “**Company**”) (TSX-V:AVG) wishes to announce an increase in the size of the proposed non-brokered private placement of the common shares of the Company (“**Common Shares**”) at C\$0.10 per Common Share (the “**Offering**”) announced in the Company’s July 23, 2019 news release. Avidian wishes to increase the size of the Offering from \$1,000,000 to \$1,500,000, subject to the Company’s option to further increase the Offering by up to additional 5,000,000 Common Shares.

The net proceeds from the Offering shall be primarily used for general and administrative expenses, property payments and to fund a trenching program on the Amanita Property which adjoins Kinross’s Fort Knox Gold Mine.

The Offering is conditional upon receipt of required regulatory approvals, including the approval of the TSX Venture Exchange. The Common Shares issued pursuant to the Offering, as well as any compensation options issued to founders will be subject to a four month hold period in accordance with applicable Canadian securities laws.

### **About Avidian Gold Corp.**

Avidian brings a disciplined and veteran team of project managers together with a regional scale advanced stage gold-copper exploration portfolio in Alaska. Avidian’s Golden Zone project also hosts a NI 43-101 Indicated gold resource of 267,400 ounces (4,187,000 tonnes at 1.99 g/t Au) plus an Inferred gold resource of 35,900 ounces (1,353,000 tonnes at 0.83 g/t Au). Additional projects include Amanita which is adjacent to Kinross Gold’s Fort Knox gold mine in Alaska and Jungo and Dome Hill in Nevada. The Strickland and Black Raven properties, both located in Newfoundland, are held within Hide Tide Resources Corp, a private subsidiary company of Avidian.

Avidian is focused on and committed to the development of advanced stage mineral projects throughout first world mining friendly jurisdictions using industry best practices combined with a strong social license from local communities. Further details on the Corporation and the individual projects, including the NI 43-101 Technical report on the Golden Zone property, can be found on the Corporation’s website at [www.avidiangold.com](http://www.avidiangold.com).

### **Forward-looking information**

This News Release includes certain "forward-looking statements". These statements are based on information currently available to the Company and the Company provides no assurance that actual results will meet management's expectations. Forward-looking statements include estimates and statements that describe the Company's future plans, objectives or goals, including words to the effect that the Company or management expects a stated condition or result to occur. Forward-looking statements may be identified by such terms as "believes", "anticipates", "expects", "estimates", "may", "could", "would", "will", or "plan". Since forward-looking statements are based on assumptions and address future events and conditions, by their very nature they involve inherent risks and uncertainties. Actual results relating to, among other things, results of exploration, project development, reclamation and capital costs of the Company's mineral properties, and the Company's financial condition and prospects including the ability to close the Offering and secure additional financing as needed, could differ materially from those currently anticipated in such statements for many reasons such as: changes in general economic conditions and conditions in the financial markets; changes in demand and prices for minerals; litigation, legislative, environmental and other judicial, regulatory, political and competitive developments; technological and operational difficulties encountered in connection with the activities of the Company; and other matters discussed in this news release. This list is not exhaustive of the factors that may affect any of the Company's forward-looking statements. These and other factors should be considered carefully and readers should not place undue reliance on the Company's forward-looking statements. The Company does not undertake to update any forward-looking statement that may be made from time to time by the Company or on its behalf, except in accordance with applicable securities laws.
