

## **Avidian Gold Grants Stock Options**

**TORONTO, Ontario, August 27, 2019** – Avidian Gold Corp. (“**Avidian**” or the “**Company**”) (TSX-V:AVG) wishes to announce a correction to the press release dated August 26, 2019 in that the Board of Directors have approved the grant of 3,600,000 stock options (the “Options”), and not 3,100,000 as previously stated, to certain members of management, directors and consultants of the Company. The Options granted will be issued in accordance with the Company’s current stock option plan.

The Options are exercisable into common shares of the Company at an exercise price of \$0.20 per share and have a five-year term to maturity.

### **About Avidian Gold Corp.**

Avidian brings a disciplined and veteran team of project managers together with a regional scale advanced stage gold-copper exploration portfolio in Alaska. Avidian’s Golden Zone project also hosts a NI 43-101 Indicated gold resource of 267,400 ounces (4,187,000 tonnes at 1.99 g/t Au) plus an Inferred gold resource of 35,900 ounces (1,353,000 tonnes at 0.83 g/t Au). Additional projects include Amanita which is adjacent to Kinross Gold’s Fort Knox gold mine in Alaska and Jungo and Dome Hill in Nevada. The Strickland and Black Raven properties, both located in Newfoundland, are held within Hide Tide Resources Corp, a private subsidiary company of Avidian.

Avidian is focused on and committed to the development of advanced stage mineral projects throughout first world mining friendly jurisdictions using industry best practices combined with a strong social license from local communities. Further details on the Corporation and the individual projects, including the NI 43-101 Technical report on the Golden Zone property, can be found on the Corporation’s website at [www.avidiangold.com](http://www.avidiangold.com).

### **Forward-looking information**

This News Release includes certain "forward-looking statements". These statements are based on information currently available to the Company and the Company provides no assurance that actual results will meet management's expectations. Forward-looking statements include estimates and statements that describe the Company's future plans, objectives or goals, including words to the effect that the Company or management expects a stated condition or result to occur. Forward-looking statements may be identified by such terms as "believes", "anticipates", "expects", "estimates", "may", "could", "would", "will", or "plan". Since forward-looking statements are based on assumptions and address future events and conditions, by their very nature they involve inherent risks and uncertainties. Actual results relating to, among other things, results of exploration, project development, reclamation and capital costs of the Company's mineral properties, and the Company's financial condition and prospects including the ability to close the Offering and secure additional financing as needed, could differ materially from those currently anticipated in such statements for many reasons such as: changes in general economic conditions and conditions in the financial markets; changes in demand and prices for minerals; litigation, legislative, environmental and other judicial, regulatory, political and competitive developments; technological and operational difficulties encountered in connection with the activities of the Company; and other matters discussed in this news release. This list is not exhaustive of the factors that may affect any of the Company's forward-looking statements. These and other factors should be considered carefully and readers should not place undue reliance on the Company's forward-looking statements. The Company does not undertake to update any forward-looking statement that may be made from time to time by the Company or on its behalf, except in accordance with applicable securities laws
